

SYNERTECH

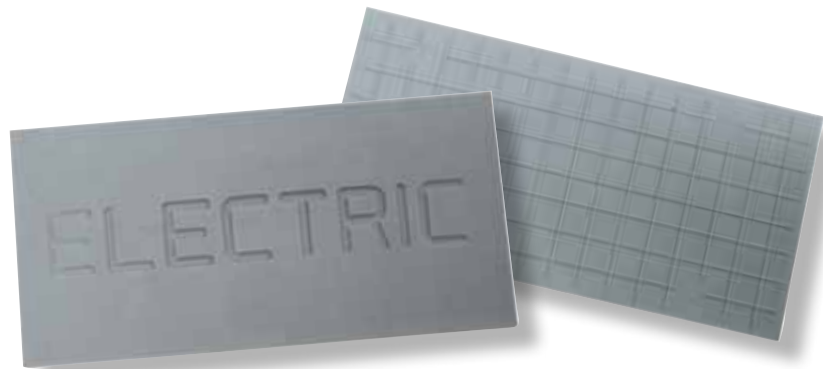

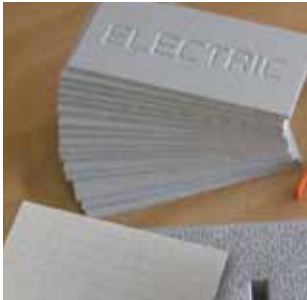

Simplify lid inventory and customize Enclosures at the time of installation.

Marking Plate System

for Synertech Duo Mold Lids

Synertech Duo Mold lids feature a molded-in recess to allow marking plates to be installed at the factory, distribution center, or customer warehouse. Along with a wide variety of standard markings, custom plates are available and can be provided quickly at a minimal cost.

Extensive testing, including freeze/thaw and pull-off tests, provide confidence in the long term performance of the Marking Plates.

Inventory flexibility reduces cost and improves turns
Have covers with the right markings when you need them

Reduced lead-times

Fast response times on custom or unusual markings

Simple installation process
